## Inauguration of KRISHI YANTHRA MELA – III 2015 amid pomp and grandeur

Inauguration of Krishi Yantra Mela III 2015 was held on 24<sup>th</sup> of January 2015 in Vivekananda College of Engineering and Technology. The event was honoured by Dr.D.Veerendra Heggade, Sri. Ananthkumar, Sri. G.M.Siddeshwara, Sri. Nalin Kumar Kateel, Dr.S.Ayyappan, Sri. Tulasi Madhineni, Sri. Balaram Acharya.

- Over 240 stalls
- Around 4 lakh visitors
- Demonstration of farmer friendly technology
- Display of student innovation projects in agriculture
- Release of postal envelop featuring CAMPCO founder Varanashi Subraya Bhat
- Kisan Sansath addressed by former CM Mr. B S Yediyurappa to resolve farmer grievances
- Cultural Extravaganza

## Newsletter will spotlight institution's multifaceted activities: Sri Balaram Achar

Launching of monthly newsletter "SAMACHAR" was held on 23<sup>rd</sup> of January 2015 in VCET Lounge. It was inaugurated by President of VCET, Balaram Acharya. This newsletter will highlight the talents of students and topics of institutional interests. In order to keep students, alumni and friends informed about recent developments in VCET, it was decided by principal to bring out a newsletter once in a month. The newsletter will be issued to students, teaching and non teaching staff giving out information about events happening in the campus.

## Alumni Meet 2014

Alumni meet 2014 was held on 7<sup>th</sup> of December in Vijaya Residency, Gandhinagar, Bangalore. This was the first ever of its kind organised by VCET. The function was presided by Dr. Lingnagouda Kulkarni, Principal, Vivekananda College of Engineering and Technology, Puttur along with Vice Principal, Prof. P.V.Bhat, and correspondent Sri Radhakrishna Bhakta. About 140 members including staff and alumni's right from first batch (2001) to the recently graduated ones (2014) attended and made the event a grand success.

## Engineering Fact

The first computer mouse was introduced in 1968 by Douglas Engelbart at the Fall Joint Computer Expo in San Francisco.

All the powers in the universe are already ours. It is we who have put our hands before our eyes and cry that it is dark.

- Swami Vivekananda

## Inauguration of Agri-Stalls at KYM-III

## Youth indulged in improving farming techniques

**Konkodi Padmanabha** stated this in his talk at the valedictory function of KYM-III on 26<sup>th</sup> January 2015. According to him this fair was organized to pass a strong message on importance of areca cultivation and its strong impact on local economic development, while the central government is planning to ban the same.

The best amongst the models exhibited in the fair was rewarded by Varanashi Subraya Bhat Award. This award was bagged by students of Vivekananda Polytechnic, Puttur and SDM College, Ujire. The award consisted of a certificate of appreciation and cash prize worth Rs. 50,000 and Rs. 25,000 respectively.

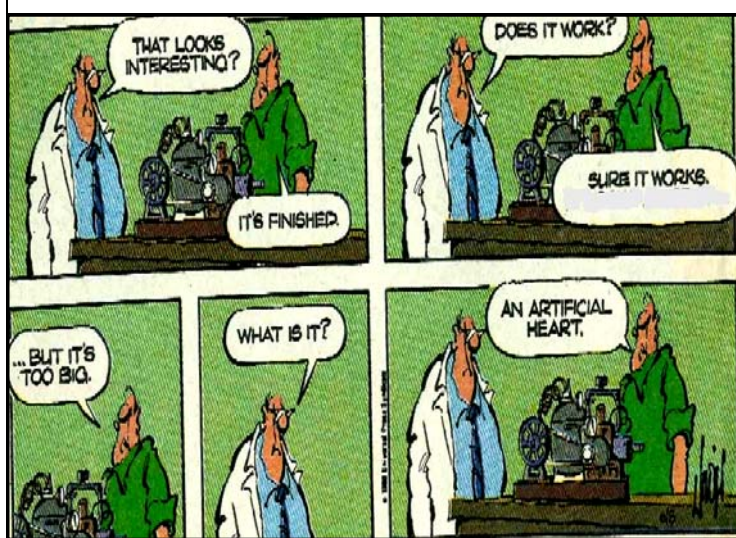

## CAMPCO a very helpful organization to areca growers: G M Siddeshwar

During his address in KYM-III G M Siddeshwar appreciated CAMPCO for being the supportive of areca growers during drastic fluctuations in market price due to gambling in Northern states. He promised to settle a fair market rate to areca so that youth will be motivated towards agriculture. He also praised CAMPCO for organizing Krishi Yanthra Mela III in an engineering college campus so that a blend of technology and agriculture will work wonders in day to day life of farmers.

## Seminar

“Tengininda Neeraa Tayaari” seminar was held on 25<sup>th</sup> of January in VCET ground. Mr. Sathish, Dr. K.B.Hebbar and Ms. Simi Thomas addressed the gathering about how ‘neera’ is made and stated that neera is not alcohol rather it has health benefits. About 200 agriculturists, local farmers attended this seminar. Large number of people gathered in this seminar to get a sip of ‘neera’. Dr. Harish Hande and Dr. Nagana Gowda conducted a seminar on “Soura Shakti”. The seminar was held on 25<sup>th</sup> of January in the same venue. It mainly focussed on how the solar energy can be utilised in an efficient way and the government policies provided for solar energy. About 230 participants including locals, students and staff of VCET, VPT and VC attended the seminar. Seminar on “Kaadu Praanigala Nyantrana” was organised on 26<sup>th</sup> of January. Sri Mahesh Iyer, Dr. Prabhakara, Mr. P.S.Bhat Upponi, Sri Bharath Kumar Shetty, Sri Neelesh Prabhu Velgunkar addressed the gathering about various ways of controlling the wild animals from harming agricultural fields. They demonstrated techniques of producing high frequency sound to disturb and scare away the wild animals. About 250 attended this seminar mainly farmers.

## Cartoon

- collected

The farmer is the only man in our economy who buys everything in retail, sells everything at wholesale, and pays the freight both ways.

- John F Kennedy

Cultural Extravaganza

My grandfather used to say that once in your life time you need a doctor, a lawyer, a policeman and a preacher but every day, three times a day, you need a farmer.

- Brenda Schoepp

## Carrier Guidance Programme

A carrier guidance programme is conducted on 29<sup>th</sup> January 2015 IIBC to the students of Vivekananda Pre University College. Detailed information was given to the students about the future courses and also about VCET. Prof. Vivek Ranjan Bhandary, Prof. Prashanth Rao, Prof. Udayshankar and Prof Vandana Shankar conducted the sessions.

## Campus Recruitments

Around 203 students are participating in the second phase of the campus placement that kicked off in January on the campus of Vivekananda college of Engineering & Technology, Puttur (VCET). The drive is expected to conclude by May end as around 122 students were placed with top firms in the first phase itself. The Placement in charge concentrates on core branches of Electronics, Civil and Mechanical this season. The major campus drives that took place in the month of January are Accord Software Systems, IBM, MUST Garments, LAM Research and Global Edge Software. Placement Faculty in charge Guyton Lobo is confident of many more companies coming in.

## VGST 2015 Sponsorship

“Automatic Wireless Health Monitoring System in Hospitals for Patients” project was selected by the Vision Group on Science and Technology (VGST) under Technology Related Innovative Projects (TRIP). Mr. Shivaraj N Juvekar and Mr. Sumit M Khot, 3<sup>rd</sup> semester E&C students received a grant of Rs.30,000 under the guidance of Mr. Pramod Kumar Naik, Assistant Professor, E&C Dept.

## Survey Camp 2015

Extensive Survey Camp 2015 was held from 8<sup>th</sup> to 16<sup>th</sup> of January 2015 at Ramakunja, Puttur. It focussed on Water Supply and Sanitary Projects, Highway Project, New Tank Project and Old Tank Project. About 160 including students of 6<sup>th</sup> semester and teaching and non teaching staff of civil department attended this camp.

## Lesson Plan 2015

Course Plan and Course Lab Manual was initiated from even semester to all the branches. It gives an overview of the subjects of the current semester. It also focus on planning, lesson schedules, question banks, model question paper for both internal and external exam. Specific information about conduction of labs are also mentioned. About 2300 copies have been distributed reaching out all students.

## SUDOKU 2

		7	9	6	2	4		
9				1				2
	1		8	5	3		6	
5			4	7	9			1
				8				
4			3	2	1			7

“I imagine you’re interested in one of the more highly visible occupations?”

## Surprising Number Pattern

12345679 \* 9 = 111,111,111  
12345679 \* 18 = 222,222,222  
12345679 \* 27 = 333,333,333

12345679 \* 36 = 444,444,444  
12345679 \* 45 = 555,555,555  
12345679 \* 54 = 666,666,666

12345679 \* 63 = 777,777,777  
12345679 \* 72 = 888,888,888  
12345679 \* 81 = 999,999,999

Condemn none: if you can stretch out a helping hand, do so. If you cannot, fold your hands, bless your brothers, and let them go their own way  
- Swami Vivekananda
