Unimaginable progress in future science: Dr. T K Bera

Two days mega event SCIENTIA 2014

Scientia 2014 was held on 7th and 8th of Nov 2014, it focussed on Science lecture series, Science and technology quiz, project competitions etc. Eminent scientists like Dr. T. K. Bera, RMP-BARC, Mysore, Dr. V. R. Katti, ISAC, Bangalore, Dr. Janardhana Idya, VSSRC, Thiruvananthapuram, Prof. Pushparaj, Principal, Chinmaya Vidyalaya, kasaragod, Prof. Pruthviraj, NITK, Surathkal shared

their thoughts with the student participants.

Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.

Thomas A. Edison

Native researchers need to be encouraged – Dr. V. V. Bhat

National Conference NCRESE – 14 Inaugrated

National Conference on Renewable Energy Systems and Engineering (NCRESE 14) for UG/PG/Research students and faculty members, along with industry delegates was held on 7th and 8th of Nov 2014 in A.V. Hall, VCET, Puttur. It covered discussion on Renewable Energy by technical paper presentation of 27 participants. The event enhanced the research minds on hydal, ocean, solar, biomass and wind energy, by resource persons Dr. S. G Mayya, Dr. T. P Ashok Babu, Sri. Rathnakar, Sri. N. P. Ramesh, Sri. Prasad, Sri. Achappa, Dr. Mahesh. About 121 participants attended this conference making it a grand success.

One day workshop on advanced JAVA and J2EE Programming

Mr. Roshan Fernandes, Asst. Professor, Dept. of CSE, NMAMIT, Nitte conducted a workshop on Advanced Java and J2EE Programming in VCET on 19/09/2014. Students who completed this course will be able to create Java application programs using Java Eclipse along with developing programs using the Java Collection API as well as the Java standard class library.

Truth can be stated in a thousand different ways, yet each one can be true.

- Swami Vivekananda

Inaugural Function of Branch Activity for the academic year 2014 - 15	Tech - Darshan
<ul style="list-style-type: none"> Electronics and Communication Engineering Students Association was held on 30th Aug 2014. Ms. Sapna Thilak, Senior Engineer, Robert Bosch, Bangalore addressed the gathering. Information Science Engineering Students association was held on 26th Aug 2014. A technical talk on “Recent trends in IT” was delivered by Mr. Praveen Udupa, Director, AI Logics, Mangalore. Civil Engineering Students Association was held on 26th Aug 2014 in Keshava Sankalpa Hall. Mr Prasanna N Bhat (B.E civil) Member, Governing council VCET, Consulting Engineer, Puttur addressed the gathering on “Opportunities for Civil Engineers in Industries”. Computer Science Engineering Students association was held on 27th Aug 2014 in A.V.Hall. A technical talk on Game Theory was given by Mr. Ramprasad K, Robosoft Technologies, UDUPI. Mechanical Engineering Students’ Association was held on 25th Aug 2014 in Keshava Sankalpa. Mr. Kashyap Udupa, Technical Adviser, Application HILTI INDIA Pvt Ltd., Bangalore addressed the gathering on “Opportunities for Mechanical Engineers in Industries”. 	<div data-bbox="954 185 1388 495" data-label="Image"> </div> <ul style="list-style-type: none"> Engineers Day celebration on held on 15th Sep 2014. Mr. Arunkumar Rai Entrepreneur & Innovator Puttur addressed the gathering on Innovations in Engineering and Entrepreneurship. He mentioned that an entrepreneur develops a business model, acquires the human and other required resources, and is fully responsible for its success or failure. Tech-saMvRt-2014 was held on 5th Aug 2014 in Keshava Sankalpa Hall. The programme made participants understand the concept of engineering education and be familiar with the Institute in total. Workshop on MS Excel for 1st & 2nd year MBA students was conducted from 16th Oct 2014 to 18th Oct 2014. It was conducted by Mr. Sharath Alva Managing Partner, Crust Business Consulting, in the computer laboratories of MBA block. A talk on Leadership & Management was delivered by Major. John D'Costa, Indian Army on 16th Sep 2014. Clay Modeling competition titled “My Future Car” was held on 27th Sep 2014 in VCET, Puttur. About 100 students actively participated in this event making students capable of channelizing their creativity. “Openmodellica software” training was conducted on 2nd Nov 2014 in CAD laboratory. Mr. Mahesh Hiremath, School of Mechanics, Bangalore addressed the gathering about the usage and evaluation of appropriate tools and techniques. Yanthrix 2014 Technical Model Competition was held on 29th Oct 2014 in Technical Block of the college campus. More than 60 innovative students project was exhibited in this competition. Circuit gallery was conducted by the E&C students on 18th Oct 2014 in EC laboratory. Students used theoretical knowledge in developing real life practical circuits and also came up with technical innovations and team work.
<p style="text-align: center;">Industrial visit</p> <ul style="list-style-type: none"> Third semester students visited Karnataka Engineering Research station, Mysore on 27th Sep 2014. Mega Agriculture Machinery Fair – “Krishi Yantra Mela-III 2015”

Bhoomi Pooja for Krishi Yantra Mela III

The Arecanut Research & Development Foundation @ (ARDF), in association with the CAMPCO Ltd, Mangalore and Vivekananda College of Engineering and Technology, Puttur is organizing a mega exhibition “**Krishi Yantra Mela – III 2015**” for three days from 24th to 26th January 2015. This event is designed to give maximum

interaction between Scientists, Farmers, Innovators, and Manufacturers by way of discussions, exhibitions and demonstrations. Nearly two lakh farmers and other dignitaries from different states are expected to visit this fair. This event is a good opportunity for different Companies, Innovators and Manufacturers of Agriculture related Machineries from all over India and abroad to exhibit their products and impress farmers to purchase and utilize them in farm and post harvest operations. Around 250 Companies are expected to participate and exhibit their products.
